****

O R D E R

In the letter 2nd read above, the Engineer-in-Chief (Irrigation), Water Resources Department, has furnished a detailed proposal based on the report of the Chief Engineer, Godavari Delta System, Dowlaiswaram and recommended to Government to accord renewal permission to M/s Bhavani Ice Factory, Yanamadurru (V) of Bhimavaram (M), West Godavari District for drawl of 42 KLD (0.0172 Cusecs) of water from Losari Main Channel subject to the following terms and conditions :

1) The Water can be spared based on the subject to the availability of water in the Losari Main Channel.
2) The water drawn from the Source should be utilized for the purpose for which permission is granted.
3) The industry shall pay one year water charges as advance and any amount due to the Department before entering into agreement.
4) Under any circumstances, the consumptive utilization should not exceed the quantum of water allotted by the Department.
5) Digital Water meters and measuring devices should be installed at the pump house by the industry at their own cost to measure the water consumed and should be made available to the Departmental Authorities and the representatives of the users shall be present at all times for inspection. The water meter shall be periodically calibrated and kept sealed. The period of calibration will be specified by the Department.
6) The firm should pay security deposit at 5% on water Charges for which permission is granted.
7) The industry should pay the water rate at the existing rates and subject to revision by the Government from time to time. In case of failure to pay water rate/royalty, the permissions to draw water shall stands cancelled. The water royalty charges may be revised by the Government from time to time and the industry has to pay the revised rates as fixed by the Government from time to time.
8) The industry should make its own arrangements for sufficient storage of water during non supply period.
9) The Water Resources Department is no way responsible for non supply of water due to any reasons.
10) The entire cost of construction of pump house, pipe line etc., should be

borne by the industry only.

11) The industry must strengthen the canal/channel margin on either side of the proposed off take point to avoid erosion of bank and to protect the existing canal/channel margins as directed by the Department.
12) The Department is no way responsible for any damages that may occur to the off take point and pump house during floods or an account of any other reasons.
13) This Department is not responsible for any dispute that arises with neighboring industries and public and any legal matters.
14) The firm should not create any objection for improvement/ Modernization works to the said Canal at the said chainage in future and they have to relocate the pumps/off take point if necessary, with their own cost.
15) The industry should abide by any other conditions laid down by the Government / Department from time to time.
16) The Water Resources Department reserves the right for cancellation of the permission without assigning any reasons thereof.
17) The annual requirement of water can be spared from River / Reservoir / Canal. No more drawl shall be permitted, priority shall be given to Drinking water & Irrigation, when reservoir/canal receives lean flows.
18) The point of drawl should be as fixed by the Department.
19) The firm has to produce the relevant records for Departmental verification at the end of each quarter periodically.
20) The industry shall obtain the prior concurrence from concerned Departments for laying of pipe lines and crossings etc., where ever necessary.
21) No field bodhi or pipeline shall be taken through or along with Government land without approval from the Government and if permission accorded by the Government, the lease should be paid as fixed by the Government only.
22) The industry should make their own arrangements to dispose the treated effluents as per norms of AP Pollution Control Board in their premises only and should obtain prior permission if any needed from the Government to dispose treated effluents in their natural resources. Necessary clearance from the A.P Pollution Control Board is to be obtained in this regard by the firm before drawl of water from source.
23) The industry must acquire the private land for installation of pumping arrangements. If the industry proposes to utilize the Government land for installation of pump house, necessary permission is to be obtained from the Government for leasing the land and the lease amount fixed is to be paid by the industry.
24) The industry has to construct CC Walls to avoid leakage at pipeline crossings.
25) The industry should follow the Revenue Board standing orders.
26) The industry has to conclude the agreement with the officers concerned of the Water Resources Department.
27) The industry has to pay water charges for the estimated quantity in advance at the start of the Financial year i.e. before 10th April of every year as per BSO.
28) The Proposed drawl for this plant should not affect Lower Riparian Rights (LRR) and Upper Riparian Rights (URR) in any manner.
29) The permission does not confer any riparian rights to the industry.
30) A detailed plan showing the location of intake arrangements, pump house, alignment of pipe line and conveyance system should be furnished to the Department, for approval.
31) Non adherence to any of the above conditions by the industry will entail cancellation of the permission.
32) The concerned Executive Engineer will be responsible for enforcing the conditions.

2. Government, after careful examination of the matter, hereby accord renewal permission to M/s Bhavani ICE Factory, Yanamadurru (V) of Bhimavaram (M), West Godavari District, for drawl of 42 KLD (0.0172 Cusecs) of water from Losari Main Channel for a further period of 10 years w.e.f 10.02.2021, subject to the terms and conditions as mentioned at above para.

3. The Engineer-in-Chief (Irrigation), Water Resources Department, Vijayawada, the Chief Engineer, Godavari Delta System, Dowlaiswaram and the Collector & District Magistrate of West Godavari District shall take necessary action accordingly.
